In accordance with 37 C.F.R. §1.98(a), copies of any U.S. patents and published applications cited herein have been omitted.

As indicated, all documents are in English or include English abstracts and therefore, no statement of relevance is required.

Submission of this Information Disclosure Statement does not constitute an admission by the Applicant as to the materiality of the listed documents to the application, nor does the Applicant waive any right to challenge the validity of the documents as prior art should such action be deemed appropriate.

Respectfully submitted,
